

GARMIN

TREAD POWERSPORT NAVIGATOR

Get off trail with Garmin's Tread GPS Kit, featuring a rugged design and glove-friendly touchscreen made for the toughest riding environments. With a preloaded topography, road, and land maps that are compatible with trail maps, your adventure has no limits. The Group Ride Radio features tracking for up to 20 riders – perfect for your Arctic Cat riding family. Pair with a compatible Bluetooth device for handsfree communication and enhanced features through the official Tread app. Always stay up to date via Wi-Fi with no subscription needed.
